

## Jesus in the Public Schools? Yes!

In 2001, the Supreme Court ruled that religious organizations like CEF® could have equal access to the public school facilities on the same basis as the secular groups.

**What exactly is a Good News Club®?** A Bible club that meets once a week right after school *IN* the public schools! A snack, Scripture memory, Bible lesson with application, relevant songs, fun games, missionary stories...all in a fun and exciting hour and a half! The children are taught by a team of volunteers who have been thoroughly screened and trained by CEF staff.

## Why Don't We Just Teach Kids at Church?

Statistics show that a large majority of children today will *never* go to a church, regardless of denomination. For those that do attend, many are often entertained rather than evangelized and disciplined. That is why it is so important to take the Gospel *to them*, where they are.

**How Does a Club Get Started?** Usually, God begins to burden someone's heart for a certain school or for children in general. They hear about this ministry and contact us. The first thing we do is begin praying! We then work to partner a church or other organization with a school. The sponsoring organization funds the Good News Club, and we help them recruit a team of at least 10 volunteers.

CEF staff trains the team; runs the background checks; works out logistics with the principal; and whatever else needs to be done to get the team ready...and then the club begins! We help get the club started and then work behind the scenes in a long-term partnership between the team, the sponsoring organization and CEF!

## Where can I find a Good News Club?

Presently there are 17 Good News Clubs in this chapter with others forming. Check with us for more up-to-date information and to see how God might use you to help reach the children. With >55,000 children in this 2,800 square mile area, there is **much** work to be done!

## Who is Child Evangelism Fellowship?

CEF is an interdenominational ministry to children, in existence since 1937! There are CEF missionaries in >185 countries and in every state in the United States.

Our 3-fold purpose is to *evangelize* boys and girls with the Gospel; *disciple* them in the Word of God; and *establish* them in the local Bible-teaching church for further growth and service.

*How Can I Be Involved?*

**Pray!** This ministry was founded in prayer and prayer is the basis for everything we do. Join us in asking God for a great revival to come to our area through the children. Prayer requests of the children and this ministry are emailed weekly.

**Volunteer!** There's much work to be done! We need committed workers for all clubs (teens to senior citizens); people to share this ministry with others; people to serve on the Committee; and more. Please pray to see how God would have you be involved and then contact us.

**Give!** This is a faith-based mission and supported *solely* by the gifts of individuals and churches. There are many expenses of the chapter, and God continues to meet them through His people. Would you prayerfully consider making a one time or recurring donation? Creative giving ideas are listed on the website.

These are just a few of the ways you can be involved. God is really working in our area. Please pray to see how the Lord might use **YOU** to reach the children!
